

# Welcome to Madrid

**Just a short walk from Atocha Station and the Paseo del Arte-Art Walk, you will find the latest hotel in the international Hard Rock chain.**

This four-star music-themed hotel has 161 rooms and suites, inspired by a distinctive rock style, with contemporary art on the walls and luxurious bedding. All rooms offer free music channels, sound bars, and a minibar with a Lavazza coffee machine. The jewel in the crown is The Sound of Your Stay®, a music programme with Fender® guitar rentals and *personalised playlists*. In addition, following the music theme, the hotel offers **Rock Om**, yoga classes to a soundtrack selected by a DJ, as well as **Body Rock®**, a 24-hour fitness centre, equipped with state-of-the-art machines, music to sweat to, free wi-fi, and finally, an outdoor music-inspired pool.

If that were not enough, it also has five gastronomic spaces: **Sessions Restaurant**, a signature cuisine restaurant, where you can enjoy Spanish cuisine and music-inspired decor; **RT60**, a *roof top* terrace with 360 degree views of the centre of Madrid, tasty food and strong drinks, served to a sound bed of DJ music; **GMT+1**, *the lobby* bar, where you can hold informal gatherings or have a drink; **Green Room**, next to the Sessions Restaurant, a private area with an exclusive menu for up to 10 guests; and **the Roxy Lounge**, right by the garden, the perfect place for celebrations and special occasions.
