

# Welcome to Madrid

**The Beehive Gaming Box, a video game and e-sports leisure centre, is close to the revamped Plaza de España**

This space, equipped with the latest technology, offers everything from powerful and complete set up gamers to the latest and most innovative consoles on the market, such as PlayStation 5, PlayStation 4, Xbox One Series or Nintendo Switch. Its activities are ideal whether alone or accompanied. There are games available for all ages and tournaments are also organised throughout the year and major e-sports events are streamed.

Not only is it possible to play or compete, but the facilities enable content to be generated in the most professional way. Making podcasts, streaming, recording a series or a videoclip are all possible thanks to its rooms and the available equipment.

There is also a bar service for refreshments or for a special celebration.
