

Welcome to Madrid

Gallur Municipal Sports Centre (Latina District) will host another edition of the best indoor meeting in Spain in late February 2024. This event, which forms part of the World Athletics Indoor Tour, is one of the world's not-to-be-missed indoor athletics meetings, as shown by the world records set by the Venezuelan athlete, Yulimar Rojas in 2020 (15m43 in the triple jump) and by the American athlete, Grant Holloway in 2021 (7s29 in the 60 metre hurdles).

The *World Indoor Tour*, the exclusive circuit that brings together the World's leading indoor track events, will be back in 2024. Last year, Madrid was the sixth and penultimate stop for the World Athletics Indoor Tour Gold.
